“ I am so sorry to hear about the passing of this amazing woman. I met Sue when i was married to Scott Dye and instantly knew that she was just one of those people that could draw you in within the first few minutes of meeting her. Know matter what kind of mood you were in she could always get a smile out of you and you just knew that your day was gonna get better. i hope she knows that even though we may have not been close she made an impact on my life and heaven is truely blessed to have this amazing angel among them. My thoughts and prayers are with her family and may your many memories of Sue always make you smile...mine will.##imported-begin##Dawny McLane(Dye)##imported-end##
