“ *Dear Bill and the family and friends of Susie, you are in my heart and prayers. I am sorry I was not able to attend services as we were out of town helping my sister in-law move. I got to know Susie and Bill as they were customers of mine at Warner auto. I always enjoyed the times you came in for service or sales and then after my retirement we stayed in touch on Facebook. My father in law Lew Shuherk also worked at UAP. Susie (and Bill) were always smiling, happy and a fun sense of humor are my memories of a dear lady. She will be missed by all whose lives she touched. God bless,*

“ Susie's smile and love for life or what made her shine. She loved her family, her friends and always made people feel welcome. Our memory was moving to Morningside RV Estates in Dade City Florida. She and Bill were very welcoming and we became part of the group sitting around at happy hour telling stories laughing and genuinely enjoying life. My husband and I will hold onto these memories as we welcome other people when they come into the park as she did for us. We love you, Susie. Bill and Maybelle Strong.

“ I have so many wonderful childhood memories of Susie. They lived down the alley from us. When my dad died, they was there for us. I watched Watergate with Susie. We watched soaps together. I always enjoyed running into her and Bill when I'd go home. My deepest condolences to the family. She will be missed.
