“ Chris and family,  
I am so sorry to hear about Sue. She and Terri were like family and we spent a lot of time together when we was younger. We grew up together through the hard and happy times. There was so many happy times I remember. There are not words to say how I feel, just remember I am thinking about the family.  
Love always,

“ To Susan Roach's family. I grief for your loss and what a wonder sister, mom, grandma, aunt, friend Susan was. I know I hadn't spent alot of time with her in the past few years. but she was always in my heart and thoughts. I couldn't ask for a better friend than Susan. We have a lot of memories to keep close to our hearts and be content that she is in a better place than we are and not having to deal with all the pain and pressures here on earth. I know that she loved her son ,daughter-in-law,julie; and her two grand children forth most in her life. She considered her two nieces as her daughters and she had the biggest heart for helping others. Rest Susan and if God is willing, I will see you some day soon. Love you my Friend.##imported-begin##Jackie Roberts##imported-end##
