“ Nici & Jeran,

I am so sorry to hear of your loss! Our losses were overwhelming last spring as I'm sure yours is now. I just wanted to share something my father in law always shared with grieving families. He said "heaven is like a rose garden the full flowers w/ petals falling off are the grandparents, full but in good stature are adults (like my Donny), the barely opened ones are our teens, the unopened ones are the youth and then those tiny little buds all tightly bound are the babies. God uses them all to complete His beautiful garden." This helped me to picture what a beautiful place heaven is in my mind. I miss Donny very much as you will miss Sydney but, I promise if you let Him God will get you through it. Just let Him take you by the hand He only takes one step at a time.##imported-begin##Penni Snell##imported-end##
