“ Carisa and the Grove Family...
Our hearts are so very heavy for loosing Telo. His love for life and his love for his family and friends were incredible. The love that heand Carisa shared was so deep and so rich, no one could deny that they were in deed soul mates. Mike and I have so many wonderful, happy and fun memories of Telo- we have reflected on them...laughed and cried. He was very special to us...and he loved his newest nephew- Jimmy. I was proud to call him my brother-in-law. I was proud to call him family. We were blessed to have had him in our lives. We will miss him, we will never forget him and we will love him forever. Love Always, Camille, Mike and Jimmy Garbash##imported-begin##Camille, Mike and Jimmy##imported-end##

“ *Carisa & The Grove family*

We continue to mourn for Telo. There isn't a moment of the day that we do not think of him. Something 'happens'...something that we see...someone that we see... and we are constantly reminded that this is something that Telo would say or do...or..that looks like Telo. Telo loved our daughter with all of his heart and we know that. She loved him with all of her heart as well.

Telo was a man that loved life and what it had to offer. He definately had a sense of humor.

I am glad to have known him.

My heart goes out to all of you. May God be with you.

It is comforting to know that someday we will see him again.

“ We would like to express our sincerest condolences to Carisa and the Grove Family. We were happy to have Telo as a next-door neighbor on Murray Road in Mt Vernon. We appreciated especially his kindness in clearing our driveway when the snow got deep, and we loved the dogs. We will keep him in our memories and prayers.

“ *Carisa and Grove Family,
How I enjoyed the time that I spent with Telo at the Heidelberg softball games. He was a lover of life and his friends and family. I especially enjoyed how much he adored his Tank and Reesie. I was extremely saddened to hear of his passing and know that he is riding his Harley up on Heaven's highway.##imported-begin##Diane Sanborn##imported-end##*

“ *Dear Grove Family,
My heart goes out to all of you in your time of loss. I never actually had the opportunity to meet Telo but hoped to meet him on a ride at some time in the future. I heard wonderful things about him from others who've ridden with him about what a nice guy he was and how much fun he was to be around. I'm so sorry that his life ended so young and so abruptly. Please know that your family is in my prayers. Heidi Norris##imported-begin##Heidi Norris##imported-end##*

“ I graduated a year behind Telo from Mohawk. He was one of those guys that would make an uncomfortable moment comfortable by cracking a joke or making an off the wall comment. He was an excellent listener and very sweet-he got along with everyone at school. He was never afraid to voice his opinion OR afraid to stick up for someone, either--he did that numerous times for me! Telo will be missed greatly. My thoughts and deepest condolences are with the Grove family.##imported-begin##Tiffani Shellhorn Landis##imported-end##

“ I wanted to express my sincere sympathy to the Grove family. Telo and I graduated together at Mohawk and there was never a dull moment when he was involved. Telo had such a fun-loving spirit and was kind to everyone. Telo and I also took driver's ed and were involved in the band together. There was never a moment he wasn't trying to make someone laugh!! “ Please know that you have our deepest sympathy. Telo was like another "son" to us and we always had fun teasing each other. Monte, Kenny and Telo always had a good time together. Dana had the boys playing basketball together all the time. I remember coaching the church basketball team when the coach couldn't make it when they went to Perrysburg. The guys let me know what to do and we had so... much fun! We'll always remember the fun times! We love you all and will truly miss Telo. If you need us, please feel free to give us a call.##imported-begin##Dana and Jean Riedel##imported-end##
