“ Vicki, Darrin, Daren Ray, & Shantell,
OMG!!! Where 2 begin???? I am sooo sorry that your/our "Joey" is gone. I don't even know what to say. I do know what it is like to lose your child but can NOT comprehend the pain of losing 1 after 16yrs!!! I can't even begin to imagine but just know I do understand a fraction of your pain and I will ALWAYS BE THERE FOR YOU ALL, just the way you ALL have been there 4 me. (Even when I don't think I would have been because of the things I was doing to myself and all of you.) I do appreciate that. I am sooooo proud that Terence Joseph saw me get on the right road. I hope he was proud 2. ---I know that my lil' Miley Nevaeh (& the other 9 babies)is in the very best of hands, care, and love now. I know that Miley's little hands helped lead him to God w/ her. I know she put her hands on his cheek like I always did and gave him the BIGGEST kiss when she greeted him. There is no other person I can think of that I'd rather have w/ her (other than myself) than that angel, Terence. He was an angel on earth and is still 1 in Heaven!! I am here for you always. I love u all. *** hugs & kisses 2 Joey***##imported-begin##Aunt Tara##imported-end##

“ Here is a poem that Ash wrote for you. We love you guys!

My Big Brother...

By: Ashlynn Murray

*A brother to me he was
And forever will be
I could go to him with trust
And he'd be there for me*

*As much as I don't want to
Believe that he isn't here
I have to remember
He's in my heart so dear*

*Things will be different
I can tell you that
But he will always be present
Wearing that cowboy hat*

*But just keep in mind
He wants us to be happy
Always being so loving and kind
As he was to everybody*

*So much joy he brought
Just take that in
REST IN PEACE, Terence Rowe
You'll always be within!##imported-begin##Tonya and
Ash##imported-end##*

“ Darrin, Vicki, Daren, Shantell and family, I am so sorry that you all have to go through this. Just remember that you are not alone. Terence was a great guy. Always made you laugh and smile. He liked to plant the garden and took great care of it...but all he would eat from eat was the tata's. You all have so many memories of Terence and that is what will help you through this difficult time. I pray to God to give you the strength and energy to make it through this terrible time. A quote from an old Bon Jovi song..." I'll be there for you, these five words I swear to you!" You all know that I love you like family and I am here for you all whenever you need me. I will be that shoulder to cry on or that ear to talk off and I can just be the one to sit with you in silence. Whatever you need know that I am here for you all. I love you and I will certainly miss Terence!!!!!! :

“ Rowe family, even though we only knew you for a short time, you became a part of our family. We treasure all the laughter and moments we had together and cannot explain the grief we feel for your loss. Terence was an amazing young man. So mature and respectful to all (and he grew the best green peppers!) He will truly be missed. Please know that we are only a phone call away!

“ Darrin, Vicki, Daren and Shantell: I had Terence in class many times over the years. He was a wonderful kid who was always polite, always an upstanding young man and always pleasant. Our Riverdale family misses each of these children we've lost so very much. Each one has left an irreparable void. I do believe this world is but a stopping point, however, and better things await all of us. This thought sustains me and uplifts me. God's peace and love to you all during this very difficult time. You are surrounded by loving and caring people.##imported-begin##Janet Durenberger##imported-end##

“ Darrin, Vicki & Family – I am truly, truly sorry for the loss of your son Terence I can not even began to imagine what you must be felling or going through. My heart just aches for you, for I know what it is like to love your kids so much that you would do anything to protect them and if there is anything at all, I could do to help ease your pain I would. You should be very proud or yourself for raising such a good-looking kid. We were bringing Taylor home the other night and she was telling me about the time her, Terence and Jricka went to the Forest Fest looking for some hot guys and Terence told them not to look any further for they had already found him. You have to keep a hold of all the good things in life god gave you; you got just that when he gave you Terence... You stay strong and you are in my prayers...

This could not have happened to a more wonderful family. My heart aches for you and your loss of a wonderful son. I think of his sense of humor, and his smile. How Vikki always kiddingly reminded me that he is her "mama's boy"- just the last time was at cheer try out in the spring in the hallway as we sat with our girls. We have watched our children grow up together. Oh Vikki- I am truly sorry! Your family and his close friends are in my prayers.##imported-begin##Karen E. Buxton##imported-end##
