“ *Tom Kronenberger was a person you loved to be around. He could raise you and lift you up. If he was in a crowded room you could locate him by his distinctive voice and laughter. Glad I got to visit with Tom last September when I was home. Love you buddy. See you on the other side. My love to the family. DONALD TAYLOR*

“ My Dad was a fun carefree man with no regrets!! My most cherished memories and moments spent with him are when he would pick me up from Toledo when I was stationed in Great Lakes on the late 80s. I would get a ride to Ohio and he would be there very late in the evening but always came when I wanted to come home!! He also took me back to my Uncle Jerry's sister, Judy, in Toledo which was are meeting place. However, once my cousin Eric took me back to Toledo and we ended up in Detroit...I guess we missed an exit somewhere!! Haha! My Dad was always ready to have beers and chat about sports!! Loved watching and talking sports with him and will miss that!! Also I will never forget him making a very long painful trip to SanDiego to walk me down the isle when I was 35!!! He said he wouldn't miss it for the world!! I love you Dad and I will miss you deeply. Your second daughter, Teresa "Farewell and Following Seas"

Dear friends & family, Tom I were in the Bucyrus Area Jaycee's together in the 1970's .. We worked on the mosquito fogger at the same time, and shared some good times with other guys in our community.. I lost track of Tom after our Jaycee days were over, but always remembered our good time together, and Tom's love of football..... I am pretty sure I had the opportunity to Disc Jockey a couple on Tom's Bucyrus high school class reunions... My condolences to his friends & family... Sincerely, Davey Jones WQEL
