“ Good, kind, honest man. My husband, John, was close to his Uncle Tom. He loved him very much and will miss his wise words, fishing trips, golf trips and Masonic work together. We send prayers of comfort to Barbara and family.

“ O my, where do I start? Tom you've been in my life since before I can remember. Your mom was my mom's boss, your sister my Math teacher in 6th grade, your son a grade older than me in band and in school, my back yard neighbor as an adult and my neighbor as a child. So many memories. But honestly the memories that I'll cherish the most are of you as my mentor in EMS. you took a green rookie and turned me into Rookie of the year. You were patient, kind and generous with your time and knowledge. Many years of knowledge i tried to absorb in the years before you retired. I will always cherish our last visit on your golf cart n the picture too. Thanks for taking time for me. Say hello to my sweet Alma when you see her.
PS I haven't got locked on a room with a psych pt or got a medic locked in a room with a medic since our trip to St. RITAS. one of the best lessons we taught each other. God speed my friend
