“ *I have many memories of Tim especially as a child. He came to my house in Marseilles with his mother. He was an awesome little boy. He amazed me playing the organ so young. I loved hearing him on the radio. A super nice guy.
My sympathy to Janice and Kennedy family.*

“ I have so many wonderful memories of you, I don't know where to start. Your laugh, your talent, That VOICE! The radio bits we came up with, I still laugh about to this day. You were my on air buddy and real life friend. I miss you so much. You go rock that big mic in the sky. Until we meet again Timmy. I love you! Brandi Foxx

Tim, you never missed a thing when it came to on air contact. You were always a master in your work. Getting a compliment from you over any on air content I did really told me that I was doing my job right. You will be sadly missed my friend.

“ I will always remember the first day I met Tim. He came to my house to visit my son Chad. Tim had just got his first laptop computer and he brought it with him to show it to Chad. My wife Robbie and I enjoyed his visit and became good friends with him from that day on. Tim will be in our hearts forever. RIP Tim. Dave Cobb

“ I met Tim in Junior High. We were in several classes together. He had a contagious energy and fun loving spirit that just drew you to him. There are so many memories but one of my favorite is in High School when Tim and I went to south school and taught French to 6th graders! He had them laughing and learning! We had a blast and so did the kids! Tim you will be missed by many that had the extreme pleasure of knowing you!

“ Oh Tim! I am so saddened to hear you are gone from this world. I fell in love with your voice when I was younger, and followed you through many radio stations. My first time meeting you was at a little car lot in Marion , and you were doing a special for the station, and I stopped only to see you. We chatted a bit about songs you were playing, and nonsense. But I was in hog heaven meeting a local celebrity. I am so sorry for the loss your family is dealing with. I hope you are better where you are now. Thanks for the memories. Love DeeDee.

“ Such great times DJing over the years! I'll forever remember not only his talent on air but his willingness to help me with my own desire to learn the radio business. Even when his life wasn't easy he was always there to push me to hone my own skills. His love for his mom was always so clear - every time we talked. Thoughts and prayers for her and the entire family. Rest In Peace my friend.
