“ Tim, the most beloved husband of my Sister, Mary Lou, and my brother in law. We shared several vacations together. I remember we were going over Tiago Pass on July 4, it was the first day the road had been open that year, due to the snow. We had stopped along the side of the road, it was very hot, even with the snow piled up high. We had gotten some candy bars for a snack and they were melted and soft, so Tim stuck them in a snow bank. The next thing I knew he picked up Mary Lou and sat her on top of the same bank. We laughed and laughed, by the time Tim got her off the drift, she shorts were very wet and uncomfortable. He was a very special brother in law to me, and was never too busy to help me with any problems I had with household problems. Thank You Tim for all you have done for me over the years, and being the "Special" loving Husband, Father, and person that you were for all of us. We will miss you always.  
Your Sister in law, Joyce
