“ *My deepest sympathy goes out to Scott, Logan, Korey and to all other family members.*

Tina's life was sadly cut much too short and she will be missed by many as she was a very outgoing, loving, and caring gal. She was always very positive and eager to help others. Because I have always lived out of town, I was unable to get to know her as well as the folks around Upper Sandusky. She has been called home too early, but now she has no more pain. One day we will all be called home and once again see Tina's happy, vivacious being.

May she 'rest in peace',

I send my deepest sympathy.

“ Tina was first my co-worker, then my dear friend and now also my family. She introduced me to my Husband (her nephew) 22 years ago. She gave me the love of my life along with my Stevenson Family. She was the life and fun of the party and was always there when someone needed her. My thoughts and prayers are with all the family. She will be in our hearts and many fond memories forever.
