

Todd S. Hemmerly

October 12, 1959 - September 26, 2016

Todd "Buck" Hemmerly, 56, of Findlay passed into eternal life on September 26, 2016, after a six-month battle with liver cancer. He was born on October 12, 1959, to Audrey (Switzer) Hemmerly and the late Henry Ohlin Hemmerly.

Besides his mother, he is survived by his loving sister Jonā and her husband Don Kleman and their daughters: Liza Vergara and Margo Kleman of Las Vegas, Nevada, and Erica (Steve) Conrad of Findlay. He is also survived by several close friends and his Aunt Barbara (Switzer) Coats who has been so helpful during his illness.

Todd was a 1978 graduate of Riverdale High School and attended Bowling Green State University. He retired from Concept Packaging Group after twenty-five years in management. During his employment, he worked at several of their plants located across the country. He was an avid fan of the "Indians," the "Browns," the "Buckeyes," and Fox News. Politics was a favorite subject, and he so wanted to vote in the up-coming election.

His illness brought him closer to the Lord, and for that he was grateful.

Upon his request, there will be no services.

Memorial contributions may be made to Forest United Methodist Church in care of Clark Shields Funeral Home 301 S. Patterson St. Forest, OH 45843.

“ Mrs. Hemmerly and family, I am so very sorry for your loss. You are in my thoughts and prayers. I have so many memories of Todd, going all the way back to my first year at Forest Elementary, in 1967. I know you'll find this unbelievable, but most of those memories include Mark Woolley. I was so happy to see Todd at our 35th high school reunion. We reminisced, laughed, and had a great time. I want to share one of my memories. I hit Todd up about the time he and Mark flipped off a cop while we were on a field trip. The cop pulled the bus over. At first Todd tried to deny it, lol. After he admitted it was true, he told those that weren't with us that day that the worst part was that you had chaperones the trip, so there was no way of not getting in trouble. That is just one of the many good memories I will carry with me forever. When you saw one, the other was close behind. And now they are together again. Todd will be missed by many. Again, you have my deepest sympathy.

“ I worked with Buck at Comcept in Findlay several years ago. He was a great fellow to work with! I used to run into him at local restaurants in Findlay before he became a manager who traveled for Concept. Last I heard, he had been going to California and was living in Wood County. He had tried to get me hired, along with my direct supervisor, Brian Fox, as a permanent employee - I was a temp - and the company decided to move to Detroit instead, which I was unwilling to move to Detroit. I lost touch with Buck in the last few years, but he was always entertaining and always had a smile whenever we met! He is missed!

“ Finding the right words to express our sorrow and our appreciation for Buck seems almost impossible. He impacted our life so much that we have never felt that we could ever adequately repay him. When our days are done on this earth we will look forward to hanging out with him in eternity!

“ Audrey - So sorry for your loss. Barbara had placed Todd on the Howard prayer sheet and kept us up to date about his illness. After a while, you seem to get to know these people. May you find comfort from the God you love so much and know that many people are thinking of you at this time. Marianne Higley - Howard U.M.C.
