“ *I will definitely miss your mom & grandmother... I remember "shaking in my boots" years ago when I started playing golf with Verna -- I so wanted to do everything right because of her, but then I found out what a great sense of humor she had & how she really wanted to share her golf & bridge tips with me. In the future, every time I start moving my bridge cards around, I will remember the time she pulled me aside & warned me to quit giving my hand away. I will picture her little smile & rolling eyes when I bid something stupid. I loved her competitive spirit! Most of all, I loved the way she kept me up-to-date on what David was doing. She absolutely loved telling me about her grandchildren. I really appreciated her sharing her family with me. I will miss you, Verna! -- Jan*
