“ Dear Marcia, I'm so sorry to hear your Dad passed away. You and your family have been through a lot lately. Please know you are in my thoughts and prayers. I will always remember the times growing up and how special your Dad and Mom were. I used to kid your Dad every time I saw him how he didn't seem to age-he looked the same as when I was a kid. I will never forget your Dad or your Mom. My sympathies to you and your families. Alice Yantis##imported-begin##Alice Yantis##imported-end##

“ Dear Marcia, Marlene and Melissa and all of your families,

*Your Dad has been a very special Uncle to me as well as your Mom having been one very special Aunt to me. It is hard to really comprehend that they are both gone from this earth, for they are so alive in my heart. I share your sorrow and loss, and I share in your happiness for your folks as well. We all know that Uncle Vernon was eager to go to be with Aunt Verabelle. They both had accepted Jesus as their personal Saviour, so we know that they are together in Heaven with the Lord. These are the happy thoughts we can cling to. But, we still hurt and miss them, and Mark too. You all have gone through so much these past years, but God promises to not give us more than we can handle with His help. I pray often for you all and will continue. What a blessing that the Lord gave your Dad, my Dad and Aunt Jane a wonderful visit together last Thursday. They had a good time reminiscing. Dad and Aunt Jane now have those memories to cherish. God is good all the time. He will help you all and my Dad, Aunt Jane and all the rest of us through these difficult days of missing our loved ones. Heaven gets sweeter and sweeter, doesn't it? I love you all.##imported-begin##Jean Wentz Hinebaugh##imported-end##*

“ *Marcia and Family,*

*I was sorry to hear about your loss. "Verny" was always good to John and I, and I still have fond memories of helping your dad build the grain bins and helping he and Dick bale in the summer.*

*What I remember most about Verny was his ornry personality and the spark in his eye when he was telling a story and his infectious smile. I also remember how well he always spoke of his family. He was a good man.*

*Keeping you and your family in kind thoughts and prayers. Godd Bless*
