“ *Dearest Mother,
A short time ago I feel I was able to connect with you as never before... Though I was unable to be there to say goodbye, I remember our last words to each other... I LOVE YOU....
I wouldn't of been able to come to your funeral and say what a great Mother you were, how much I love you, ect... I don't believe in all that. I believe we should tell the ones we love and cherish how much we love them, respect them, look up to them.... while they are alive.
I will never forget you Mom, my memories will NEVER fade with time. I haven't lived a perfect life and there is no such thing as perfect... except God. But you are the closest thing to perfect I've ever known and I wouldn't be the man I am today without the guidance of you.
I Know you are finally at Home with your Mother and I hope to someday be by your side in Heaven.
Love your son,
Jesse A. Rice##imported-begin##Jesse Rice##imported-end##*

“ *Dear Uncle Jesse and Family:*

We were so sorry to learn of Aunt Virinia's death. We loved her very much, we always had so much fun when she would come to visit. We could tell how much she loved our Mother, they were close in spite of the thirteen year age difference. We can still hear the laughter from both of them, they obviously enjoyed each other's company. Our thoughts and prayers are with all of you.
