“ *Ruth Ann and David, I just heard about the passing of Bill. So very sorry for your loss. Bill was such a good person. He sure took care of my Mom by getting her mail and keeping her yard mowed. If Mom ever needed anything, she knew that all she had to do was call Bill and he would be there. I remember when our family first moved into the house in Nevada and I would see you and Bill outside and wonder what everyone was like. Now he is with your Mom and Dad. God bless you and your family.*

“ I remember Mr. Stover from many years ago, when he was at Wharton Elementary School. I needed a ride home from basketball practice and he took me home in his old 1950's Ford. Too bad he did not drive his Jaguar XKE that day.

I always appreciated his heart and his caring attitude. He has always been one of those teachers/administrators that remain in my mind.

I am sorry for your loss.
