“ My deepest condolences to the entire family. I only met Winogene once, but Ruby spoke of her so often, I felt as if I knew her. Whomever said Winogene never met a stranger was right on target, as she took me in as if I were family. Hers was, indeed, a life well-lived. Godspeed, Winogene.##imported-begin##Tracy Tenner##imported-end##

“ Winogene's smile could light up a room. She was always a happy,
fun-loving person. And she always was so proud of her family and
loved to talk about them. I had the pleasure of caring for her when
